

**IN THE UNITED STATES DISTRICT COURT FOR THE
EASTERN DISTRICT OF OKLAHOMA**

CHARLES DAVID HAGEN,

Plaintiff,

V.

**PETE BRODERICK and
CHEROKEE COUNTY
SHERIFF'S OFFICE,**

Defendants.

No. CIV 24-351-RAW-SPS

OPINION AND ORDER

Plaintiff is a pro se state prisoner in the custody of the Oklahoma Department of Corrections who is incarcerated at Jim E. Hamilton Correctional Center in Hodgen, Oklahoma. He filed this civil rights complaint pursuant to 42 U.S.C. § 1983, seeking relief for alleged constitutional violations related to his arrest. (Dkt. 1). The defendants are Cherokee County Sheriff Pete Broderick and the Cherokee County Sheriff's Office. *Id.* at 2.

Plaintiff alleges that on June 7, 2023, Defendant Broderick forcefully kicked in his front door and arrested him without a warrant or any exigent circumstances. *Id.* at 4, 5. He claims he suffered mental anguish, financial loss, and loss of freedom arising from Broderick's actions. *Id.* at 5. Plaintiff is seeking monetary damages.

Screening/Dismissal Standards

Federal courts must engage in a preliminary screening of cases in which prisoners seek redress from a governmental entity or officer or employee of a governmental entity. 28 U.S.C. § 1915A(a). The Court must identify any cognizable claims and dismiss any claims that are frivolous, malicious, fail to state a claim upon which relief may be granted, or seek monetary relief from a defendant who is immune from such relief. 28 U.S.C. § 1915A(b); 28 U.S.C. § 1915(e)(2)(B).

The pleading standard for all civil actions was articulated in *Bell Atl. Corp. v. Twombly*, 550 U.S. 544 (2007). *See Ashcroft v. Iqbal*, 556 U.S. 662, 684 (2009). To avoid dismissal for failure to state a claim under Fed. R. Civ. P. 12(b)(6), a complaint must present factual allegations, assumed

to be true, that “raise a right to relief above the speculative level.” *Twombly*, 550 U.S. at 555. The complaint also must contain “enough facts to state a claim to relief that is plausible on its face.” *Id.* at 570. A court must accept all the well-pleaded allegations of the complaint as true, even if doubtful in fact, and must construe the allegations in the light most favorable to the plaintiff. *Id.* at 555-56. “So, when the allegations in a complaint, however true, could not raise a claim of entitlement to relief,” the cause of action should be dismissed. *Id.* at 558. The Court applies the same standard of review for dismissals under 28 U.S.C. § 1915(e)(2)(B)(ii) that is employed for Fed. R. Civ. P. 12(b)(6) motions to dismiss for failure to state a claim. *Kay v. Bemis*, 500 F.3d 1214, 1217-18 (10th Cir. 2007). *See also Turley v. Rednour*, 729 F.3d 645, 649 (7th Cir. 2013) (holding that § 1915A dismissals are reviewed under the Fed. R. Civ. P. 12(b)(6) standard for stating a claim for relief).

A pro se plaintiff’s complaint must be broadly construed under this standard. *Erickson v. Pardus*, 551 U.S. 89, 94 (2007); *Haines v. Kerner*, 404 U.S. 519, 520 (1972). The generous construction given to the pro se litigant’s allegations, however, “does not relieve the plaintiff of the burden of alleging sufficient facts on which a recognized legal claim could be based.” *Hall v. Bellmon*, 935 F.2d 1106, 1110 (10th Cir. 1991). Notwithstanding a pro se plaintiff’s various mistakes or misunderstandings of legal doctrines or procedural requirements, “if a court can reasonably read the pleadings to state a valid claim on which the plaintiff could prevail, it should do so” *Id.* A reviewing court need not accept “mere conclusions characterizing pleaded facts.” *Bryson v. City of Edmond*, 905 F.2d 1386, 1390 (10th Cir. 1990). “While a complaint attacked by a Rule 12(b)(6) motion to dismiss does not need detailed factual allegations, a plaintiff’s obligation to provide the grounds of his entitlement to relief requires more than labels and conclusions, and a formulaic recitation of the elements of a cause of action will not do.” *Twombly*, 550 U.S. at 555 (quotations and citations omitted). The Court “will not supply additional factual allegations to round out a plaintiff’s complaint or construct a legal theory on a plaintiff’s behalf.” *Whitney v. New Mexico*, 113 F.3d 1170, 1173-74 (10th Cir. 1997).

Plaintiff's Arrest

Plaintiff is arguing that his constitutional rights were violated when Defendant Sheriff Broderick forcibly entered his home and arrested him without a warrant. To the extent Plaintiff seeks compensatory damages for the alleged unconstitutional arrest, he first must prove his “conviction or sentence has been reversed on direct appeal, expunged by executive order, declared invalid by a state tribunal authorized to make such determination, or called into question by a federal court’s issuance of a writ of habeas corpus.” *Heck v. Humphrey*, 512 U.S. 477, 486-87 (1994) (citing 28 U.S.C. § 2254). When judgment for a plaintiff in a § 1983 suit “would necessarily imply the invalidity of his conviction or sentence, . . . the complaint must be dismissed unless the plaintiff can demonstrate that the conviction or sentence has already been invalidated.” *Id.* Because Plaintiff has not made this showing, the complaint must be dismissed for failure to state a claim upon which relief can be granted. *See* 28 U.S.C. § 1915A.

ACCORDINGLY,

1. This action is dismissed without prejudice for Plaintiff’s failure to state a claim upon which relief can be granted.

2. Plaintiff’s motion for leave to proceed *in forma pauperis* (Dkt. 5) is denied as moot.

IT IS SO ORDERED this 29th day of October 2024.

RONALD A. WHITE
UNITED STATES DISTRICT JUDGE
